Dear Plan Participant,

Enclosed is your 2023 GDA health plan benefit guide, which includes three superior plans designed to meet your needs.

The group buying power through your association is not only keeping premium rates steady but is giving you more value for your dollar. Each year an increasing number of members are making the switch to GDA health plans, which offer:

- Term Life benefit of \$10,000
- Your own dedicated staff
- A personal health advocate to service you when a claim/procedure approval and/or question arises
- Broad provider network (you can go to any specialist without a referral, many more hospitals and physicians in the network both in Georgia and Nationally)
- No health history coverage limitations
- No age banding
- Premiums guaranteed for a year
- No minimum number of enrollees required
- No surprise mid-year cancellations

The summary of benefits and coverage for each plan option will be posted online at [gdaplus.com/health](http://gdaplus.com/health).

If you have questions about your coverage or any of the benefit plans, please call our health insurance team at 770.395.0224.

Sincerely,

Frank J. Capaldo  
Executive Director

# HEALTH SAVINGS ACCOUNT (HSA)

## Available to participants in the POS HDHP Plan.

A Health Savings Account (HSA) is a tax-advantaged savings account that can be used for your current qualified healthcare expenses or saved for future expenses.

Did you know an HSA provides tax saving benefits? The money you contribute whether pre-tax or post-tax may reduce your annual income tax liability. The interest that accumulates in the account is tax-free. In addition, money withdrawn from an HSA isn't taxed, provided you use it for qualified healthcare expenses. Like a savings account, you will only be able to withdraw funds that are in the account.

### OTHER HSA ADVANTAGES

You can use the account to pay for qualified healthcare expenses.

Unspent dollars roll over each year and are yours to keep if you retire or leave the company.

You can invest your HSA funds, so your available healthcare dollars can grow over time.

#### You are eligible if:

You are enrolled in the HDHP Plan

You are not covered by a spouse's plan

No one else can claim you as a dependent

You are not enrolled in Medicare, TRICARE or TRICARE for Life

You have not received VA benefits in the past 3 months

## Setting Up an HSA

You may set up an HSA account with the bank of your choice. Talk to your bank advisor for details. Also, please check with your tax advisor and discuss how setting up an HSA may affect your annual tax liability.

## How Much Can Be Deposited into an HSA in 2023?

<55\*

- Up to \$3,850 for individual
  - Up to \$7,750 for family
- \*Not enrolled in Medicare

The maximum contribution increases by \$1,000

# FREQUENTLY ASKED QUESTIONS

## Answers to commonly asked questions about 2023 GDA Group Health Plans:

- **Who is GDAs group plan healthcare provider?**

Anthem Blue Cross Blue Shield.

- **What type of plans are being offered?**

All plans are Open Access Point of Service plans. This means you have in-network and out-of-network coverage and a referral from your Primary Care Provider (PCP) is not required to visit a specialist.

- **Is this a broad provider network plan?**

All of our GDA group health plans have broad networks. This means you have thousands more choices of providers over a narrow network and are much more likely to work with providers, labs, and specialists within your network – reducing the likelihood of surprise charges.

- **Are any of the plans Health Savings Account compatible?**

Yes, our HDHP plan qualifies for a Health Savings Account. If you sign up for a HDHP plan, you will then work with your financial institution to set up an HSA.

- **Are the premiums age banded?**

No! You are not rated based on your age as you would be on an individual plan.

- **Are there any health questions?**

No! Your enrollment form includes no questions about your health history. You are not rated on your preexisting conditions or health as you could be on an individual plan.

- **Where can I check to see if my provider is in network?**

Visit our website at [www.gdaplus.com/health](http://www.gdaplus.com/health) and click on the Find a Provider link. Members not currently enrolled should select “Use Member ID for Basic Search” and enter “XKT” and answer the prompts.

- **Is there a limit on the doctor visit copays per year?**

No, you may visit your doctor as many times as you need. Other plans could limit your visits to a certain number per year and then require you to pay your deductible and coinsurance for visits beyond that limit. On our plan, you are only responsible for your copay for doctor office visits.

- **Does the dentist have to be a member of the GDA?**

Yes, because our plans are group health plans, dentists are required to be a GDA member to participate and/or offer it to their staff.

- **Can dental practice employees enroll in the health insurance?**

Yes, as long as the dentist offers it to employees and the dentist is eligible by membership in the Georgia Dental Association. However, the dentist does not have to be enrolled in the plan to offer it to employees.

- **Does a GDA member have to enroll in the health insurance plan in order for the staff to participate?**

No, a GDA member dentist does not have to enroll but he does have to offer it in order for office employees to participate.

- **Is there a minimum number of staff that must enroll?**

No, there is no minimum participation requirement for employees. Even if only one office employee would like to participate, your office is eligible with GDA membership.

- **Am I required to subsidize the premiums?**

As long as there are fewer than 50 employees, a dentist is not required to subsidize employee premiums.

- **Does a GDA member have to offer health plans to employees?**

No, members are not required to offer GDA group health plans to employees. However, we do encourage the office to offer it as there is no required expense for members to do so.

- **Can an employee call the GDA directly to ask questions?**

Yes, employees can call us at **770-395-0224**.

Member dentists and employees should complete the enrollment form and fax to **404.634.6099** or e-mail it to [christy@gadental.org](mailto:christy@gadental.org).

- **What is the GDIS Group ID Billing Number on the enrollment form?**

This is our internal billing number for existing clients. If you are currently enrolled, you can find this on your monthly billing statement. If you are not enrolled, it will be assigned to you once your enrollment form is received.

- **How is billing handled?**

The GDA will email or mail one bill to each office on or about the 25th of every month for the following month's premium(s); payment is due by the 5th of the month that is covered by the premium. If a practice offers employee coverage, staff premiums can be paid directly to GDA Health and Welfare Plan by either the dentist or employees. Yes, that means that the dentist does not have to set up payroll deductions for the employees.

**Yes, we can also bill the employee directly!**

- **How is payment handled?**

Premium payments are required to be paid via a monthly recurring credit or debit card. Payments are processed on the 5th of each month.

# GLOSSARY OF TERMS

**COPAYMENT:** A copayment (copay) is the fixed dollar amount you pay for certain in-network services on a POS type plan. In some cases, you may be responsible for coinsurance after a copay is made.

**COINSURANCE:** Your share of the costs of a healthcare service, usually figured as a percentage of the amount charged for services. You start paying coinsurance after you've met the deductible. Your plan pays a certain percentage of the total bill and you pay the remaining percentage.

**DEDUCTIBLE:** A deductible is the amount of money you must meet before your plan begins paying for services covered by coinsurance. Some services, such as office visits that require copays, do not apply to the deductible. For example, if your plan's deductible is \$1,000, you'll pay 100 percent of eligible healthcare expenses until you have met the \$1,000 deductible. After that, you share the cost with your plan by paying coinsurance.

**FORMULARY:** A list of prescription drugs covered by the plan. Also called a drug list.

**IN-NETWORK:** A group of doctors, clinics, hospitals and other healthcare providers that have an agreement with your medical plan provider. You pay a negotiated rate for services when you use in-network providers.

**OUT-OF-NETWORK:** Care received from a doctor, hospital or other provider that is not part of the plan agreement. You'll pay more when you use out-of-network providers since they don't have a negotiated rate with your plan provider. You may also be billed the difference between what the out-of-network provider charges for services and what the plan provider pays for those services.

**OUT-OF-POCKET MAXIMUM:** This is the most you must pay for covered services in a plan year. After you spend this amount on deductibles and coinsurance, your health plan pays 100 percent of the costs of covered benefits. However, you must pay for certain out-of-network charges above reasonable and customary amounts.

**HIGH DEDUCTIBLE HEALTH PLAN (HDHP):** This is a type of medical plan that requires the member to reach a deductible prior to having services covered by coinsurance. All expenses paid by the member count toward the deductible and out of pocket maximum.
