Benefit Chart of Medicare Supplement Plans Sold for Effective Dates on or after January 1, 2020

This chart shows the benefits included in each of the standard Medicare Supplement plans.

Every company must make Plan "A" available. Some plans may not be available. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F and high deductible F.

Plans shown in gray are available for purchase. These same plans are available to those who are under 65 and qualify for Medicare due to disability.

Note: A "✓" means 100% of the benefit is paid.

¹ Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,340 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible. We do not offer High Deductible Plans F or G.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

Premium Information

Plans A, F, G & N | Effective January 1, 2021

Premiums are subject to change.

Here's some important information, before we get started:

We, Anthem Blue Cross and Blue Shield, can only raise your premium if we raise the premium for all plans like yours in this State.

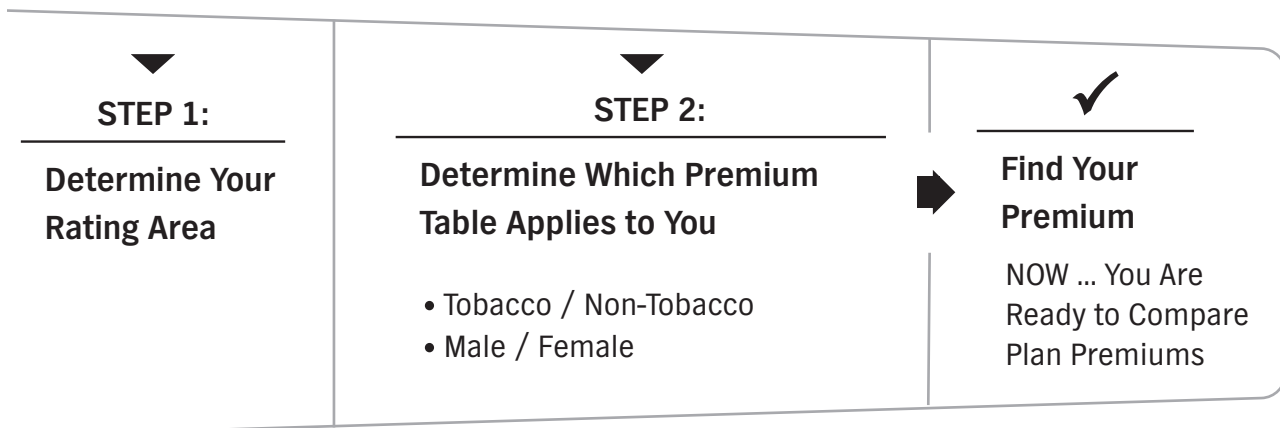

Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. The selected billing preference does not guarantee your premium for any specific period. Approved premium changes are effective as of the Renewal Date.

If you select a billing method other than Monthly EFT (Electronic Fund Transfer), the billing frequency takes effect on the first day of the payment period that immediately follows your coverage effective date. Based on your selected billing method and your coverage effective date, we will prorate the initial premium to align you with the quarterly or annual billing. For example, if you select quarterly billing and your coverage effective date is September 1, your quarterly billing will start on October 1.

Find Your Premium

Premiums (and future changes to premiums) are determined by several factors, the county and/or zip code where you live, tobacco use, age, gender, plan, and the costs of medical services and supplies.

Here's how to find your premium, step-by-step:

Important Plan Disclosures

Plans A, F, G & N

Retain this outline for your records.

Disclosures

Use this outline to compare benefits and premiums among policies.

Medicare deductibles and coinsurance amounts are effective as of January 1, 2020. Medicare may change their amounts annually.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Anthem Blue Cross and Blue Shield.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to us at our Administrative Office: Anthem Blue Cross and Blue Shield, P.O. Box 659816 San Antonio, TX 78265-9116. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs.

Neither Anthem Blue Cross and Blue Shield nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult Medicare and You for more details.

Complete Answers are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
