High-quality care at a great value

Learn more about the Blue High Performance Network

When you join the Blue High Performance Network℠ (BlueHPN℠) plan, you can be confident you've chosen a plan that offers access to excellent care through its curated network of care providers. Every doctor, hospital, and specialist in the network is held to strict quality standards, so they're dedicated to improving your experience as a patient and helping you manage costs.

Benefits of the BlueHPN

- Access to a carefully vetted national network of doctors, hospitals, and specialists
- Covered urgent and emergency care everywhere, even outside the country
- High-quality care at a great value, since every doctor in the BlueHPN is committed to fair pricing

The BlueHPN may be right for you if:

- You're comfortable only seeing care providers in the plan's network since there is no out-of-network coverage.
- You live or travel mostly within the 60+ U.S. cities included in the BlueHPN.

You can also find out if your current doctors are in the network or search for new doctors by name, specialty, or location. Be sure to take note of their network effective date, if it applies.

Remember, while some doctors may practice at multiple locations, all their locations may not be in the BlueHPN. You'll need to check before an appointment to make sure that your doctor and location are in your plan's network.
